### Veterinary Report.

Hopeful Hearts is fortunate to work with a number of first-class veterinarians in Eastern Ontario, including Dr. Ann McEwan from the Carleton Place Veterinary Clinic

[www.carletonplacevet.com](http://www.carletonplacevet.com) Thanks to Dr.

McEwan's efforts, many of our rescues have taken the first steps to a healthy life. Likewise, Bells Corners Animal Hospital [www.bellsvet.com](http://www.bellsvet.com) has been literal life savers. Thanks guys!

We also welcome a new vet to our HH family; Drs Kamran and Mobarak and the staff at Bank Street Animal Hospital. Check out their site at <http://bankstreetanimalhospital.com/index.php>

## Foster Update

Hopeful Hearts is extremely fortunate to have approximately **50** foster families whose genuine concern gives each fostered dog comfort and hope. It is our ongoing objective to support these foster families and recruit more as shelters are strained with new arrivals and puppy-mill operations thankfully continue to be closed through legal intervention.

## With Thanks

A very special thank you goes out to Jane Madigan at Inspired K9s for her incredible support to the Hopeful Hearts angels. Her work has helped many of our dogs in so many ways. Jane is truly a gift! Please check out her website at [www.inspiredk9s.ca](http://www.inspiredk9s.ca).

A great big thanks also goes out to Eric and Roxanne at Barkers Brunch ([www.barkersbrunch.com](http://www.barkersbrunch.com)). These folks not only foster for us but provide our angels that have health issues with raw food that helps their body regain its strength. The food that Barkers Brunch provides helps our dogs with allergies, fur loss and a myriad of other issues. Thanks guys!

Hopeful Hearts has been helped immensely by businesses and professionals donating

their time and talents for our rescued dogs. We simply could not succeed without them.
